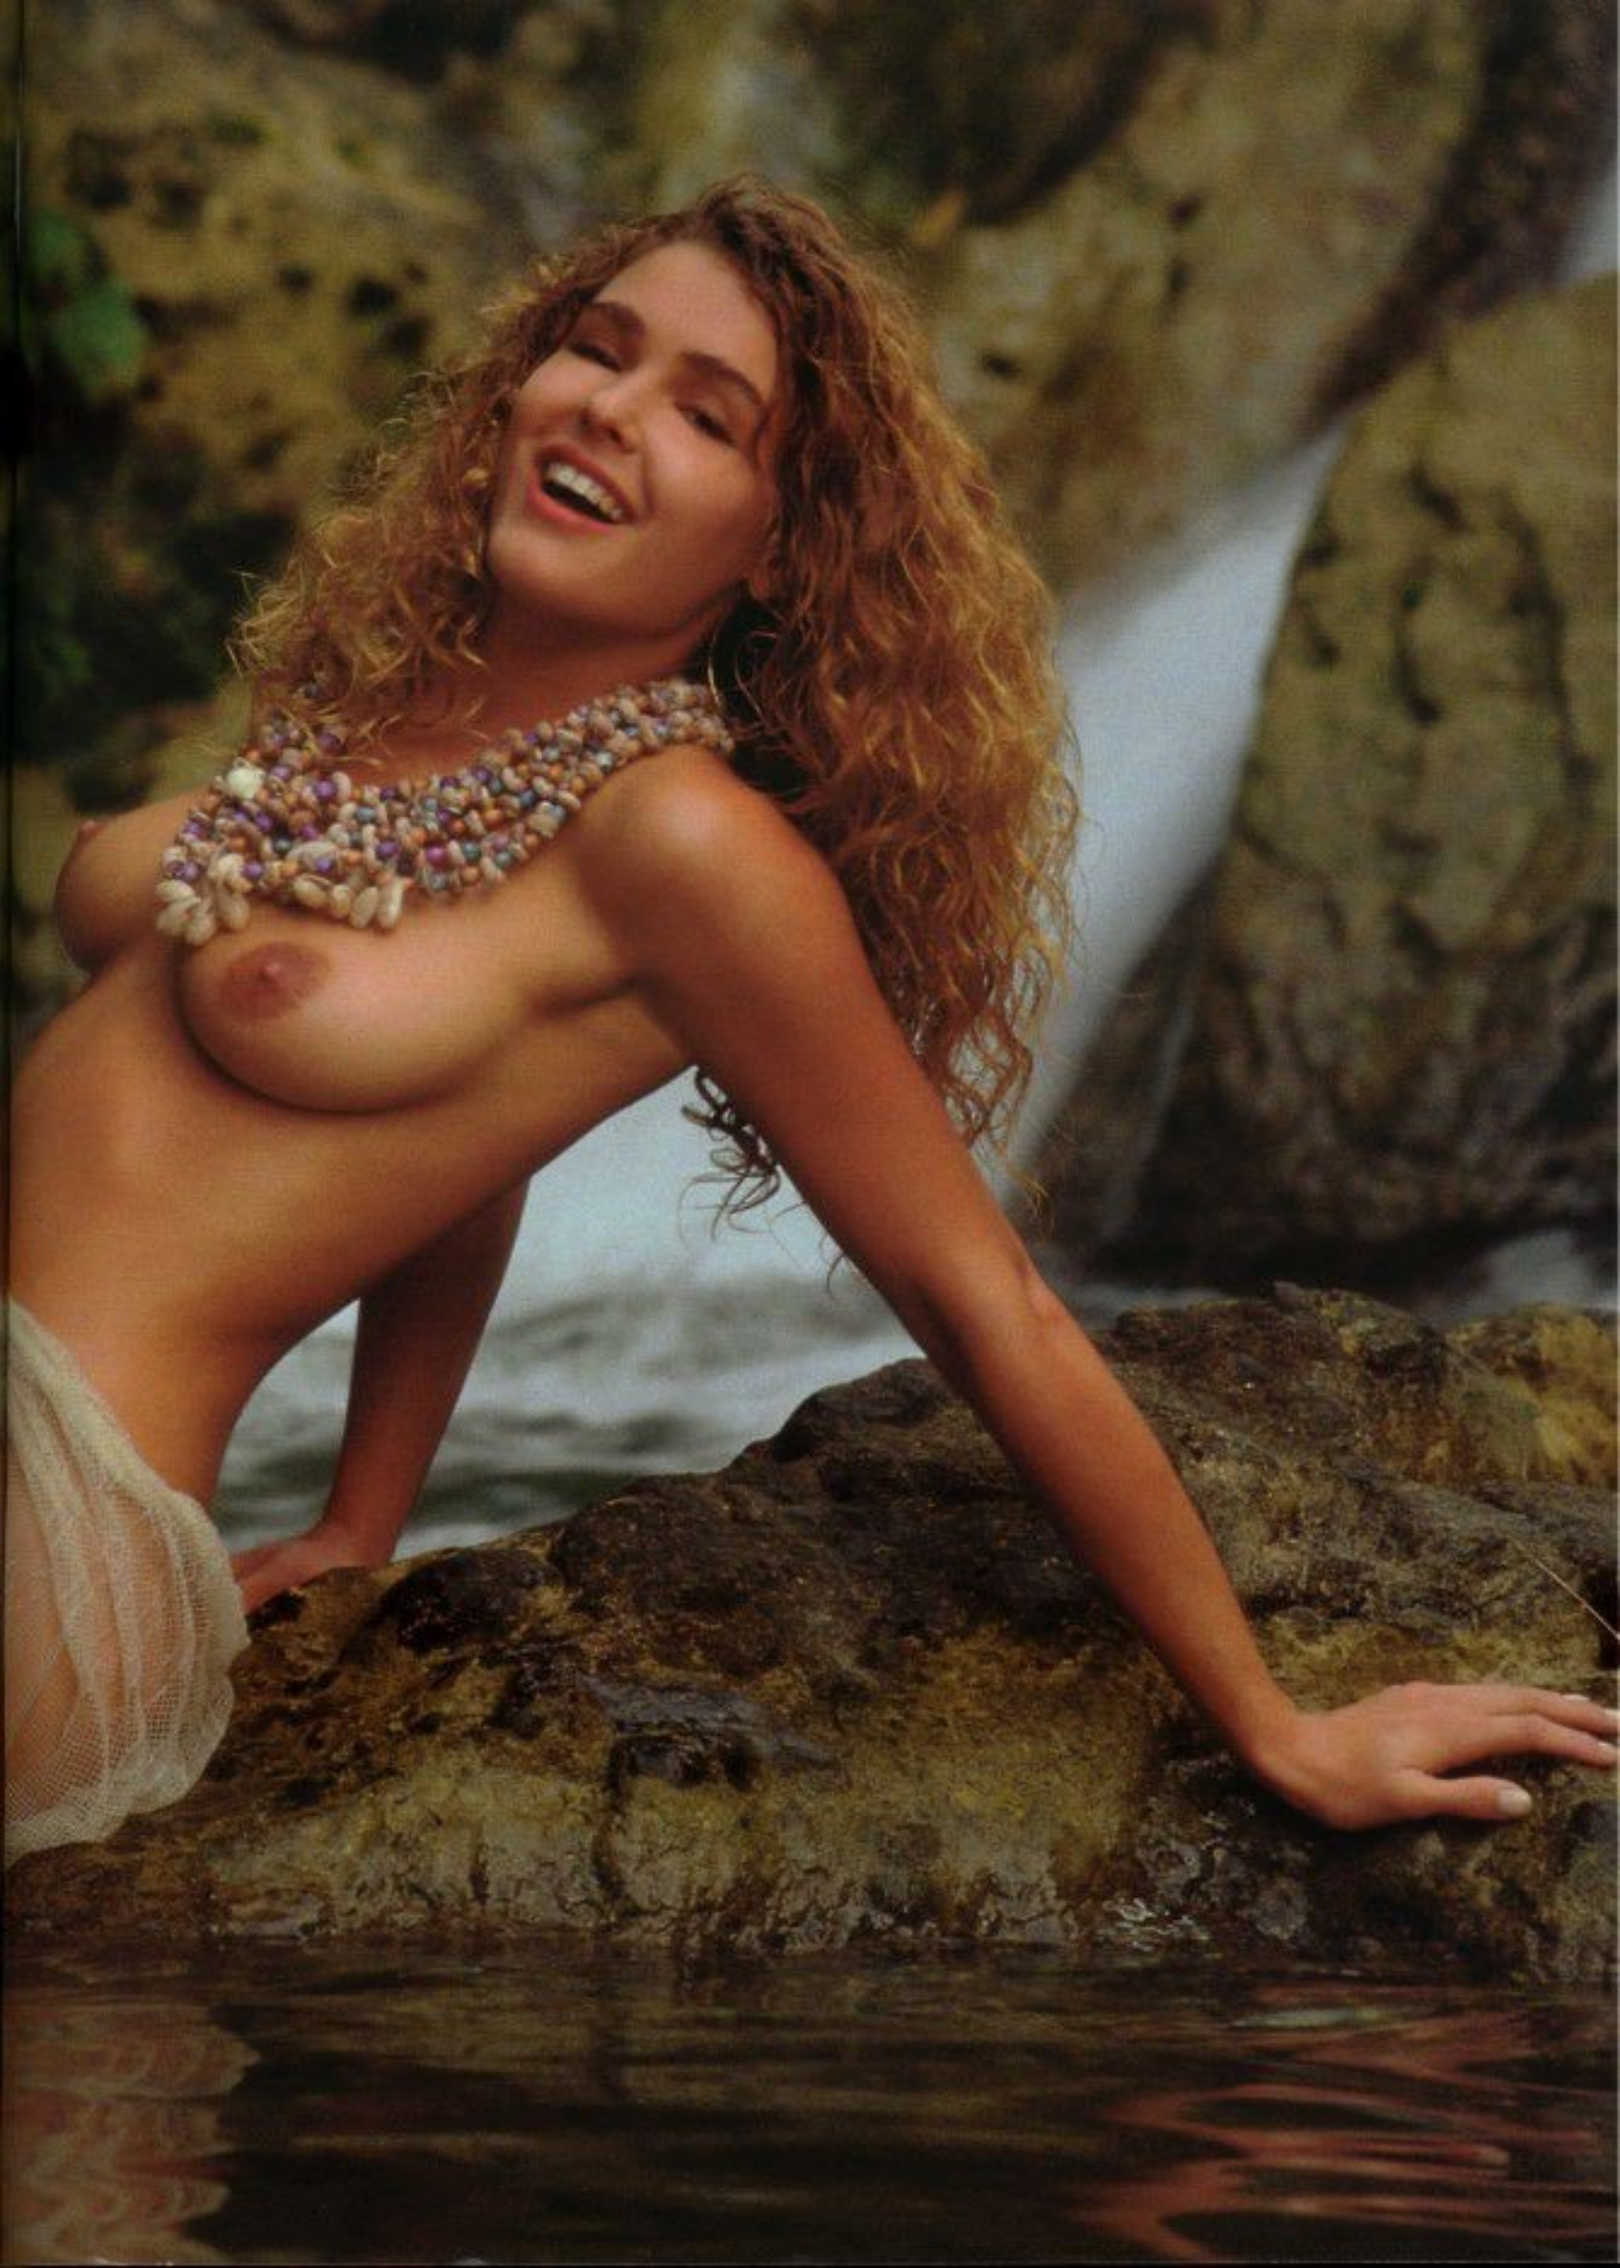
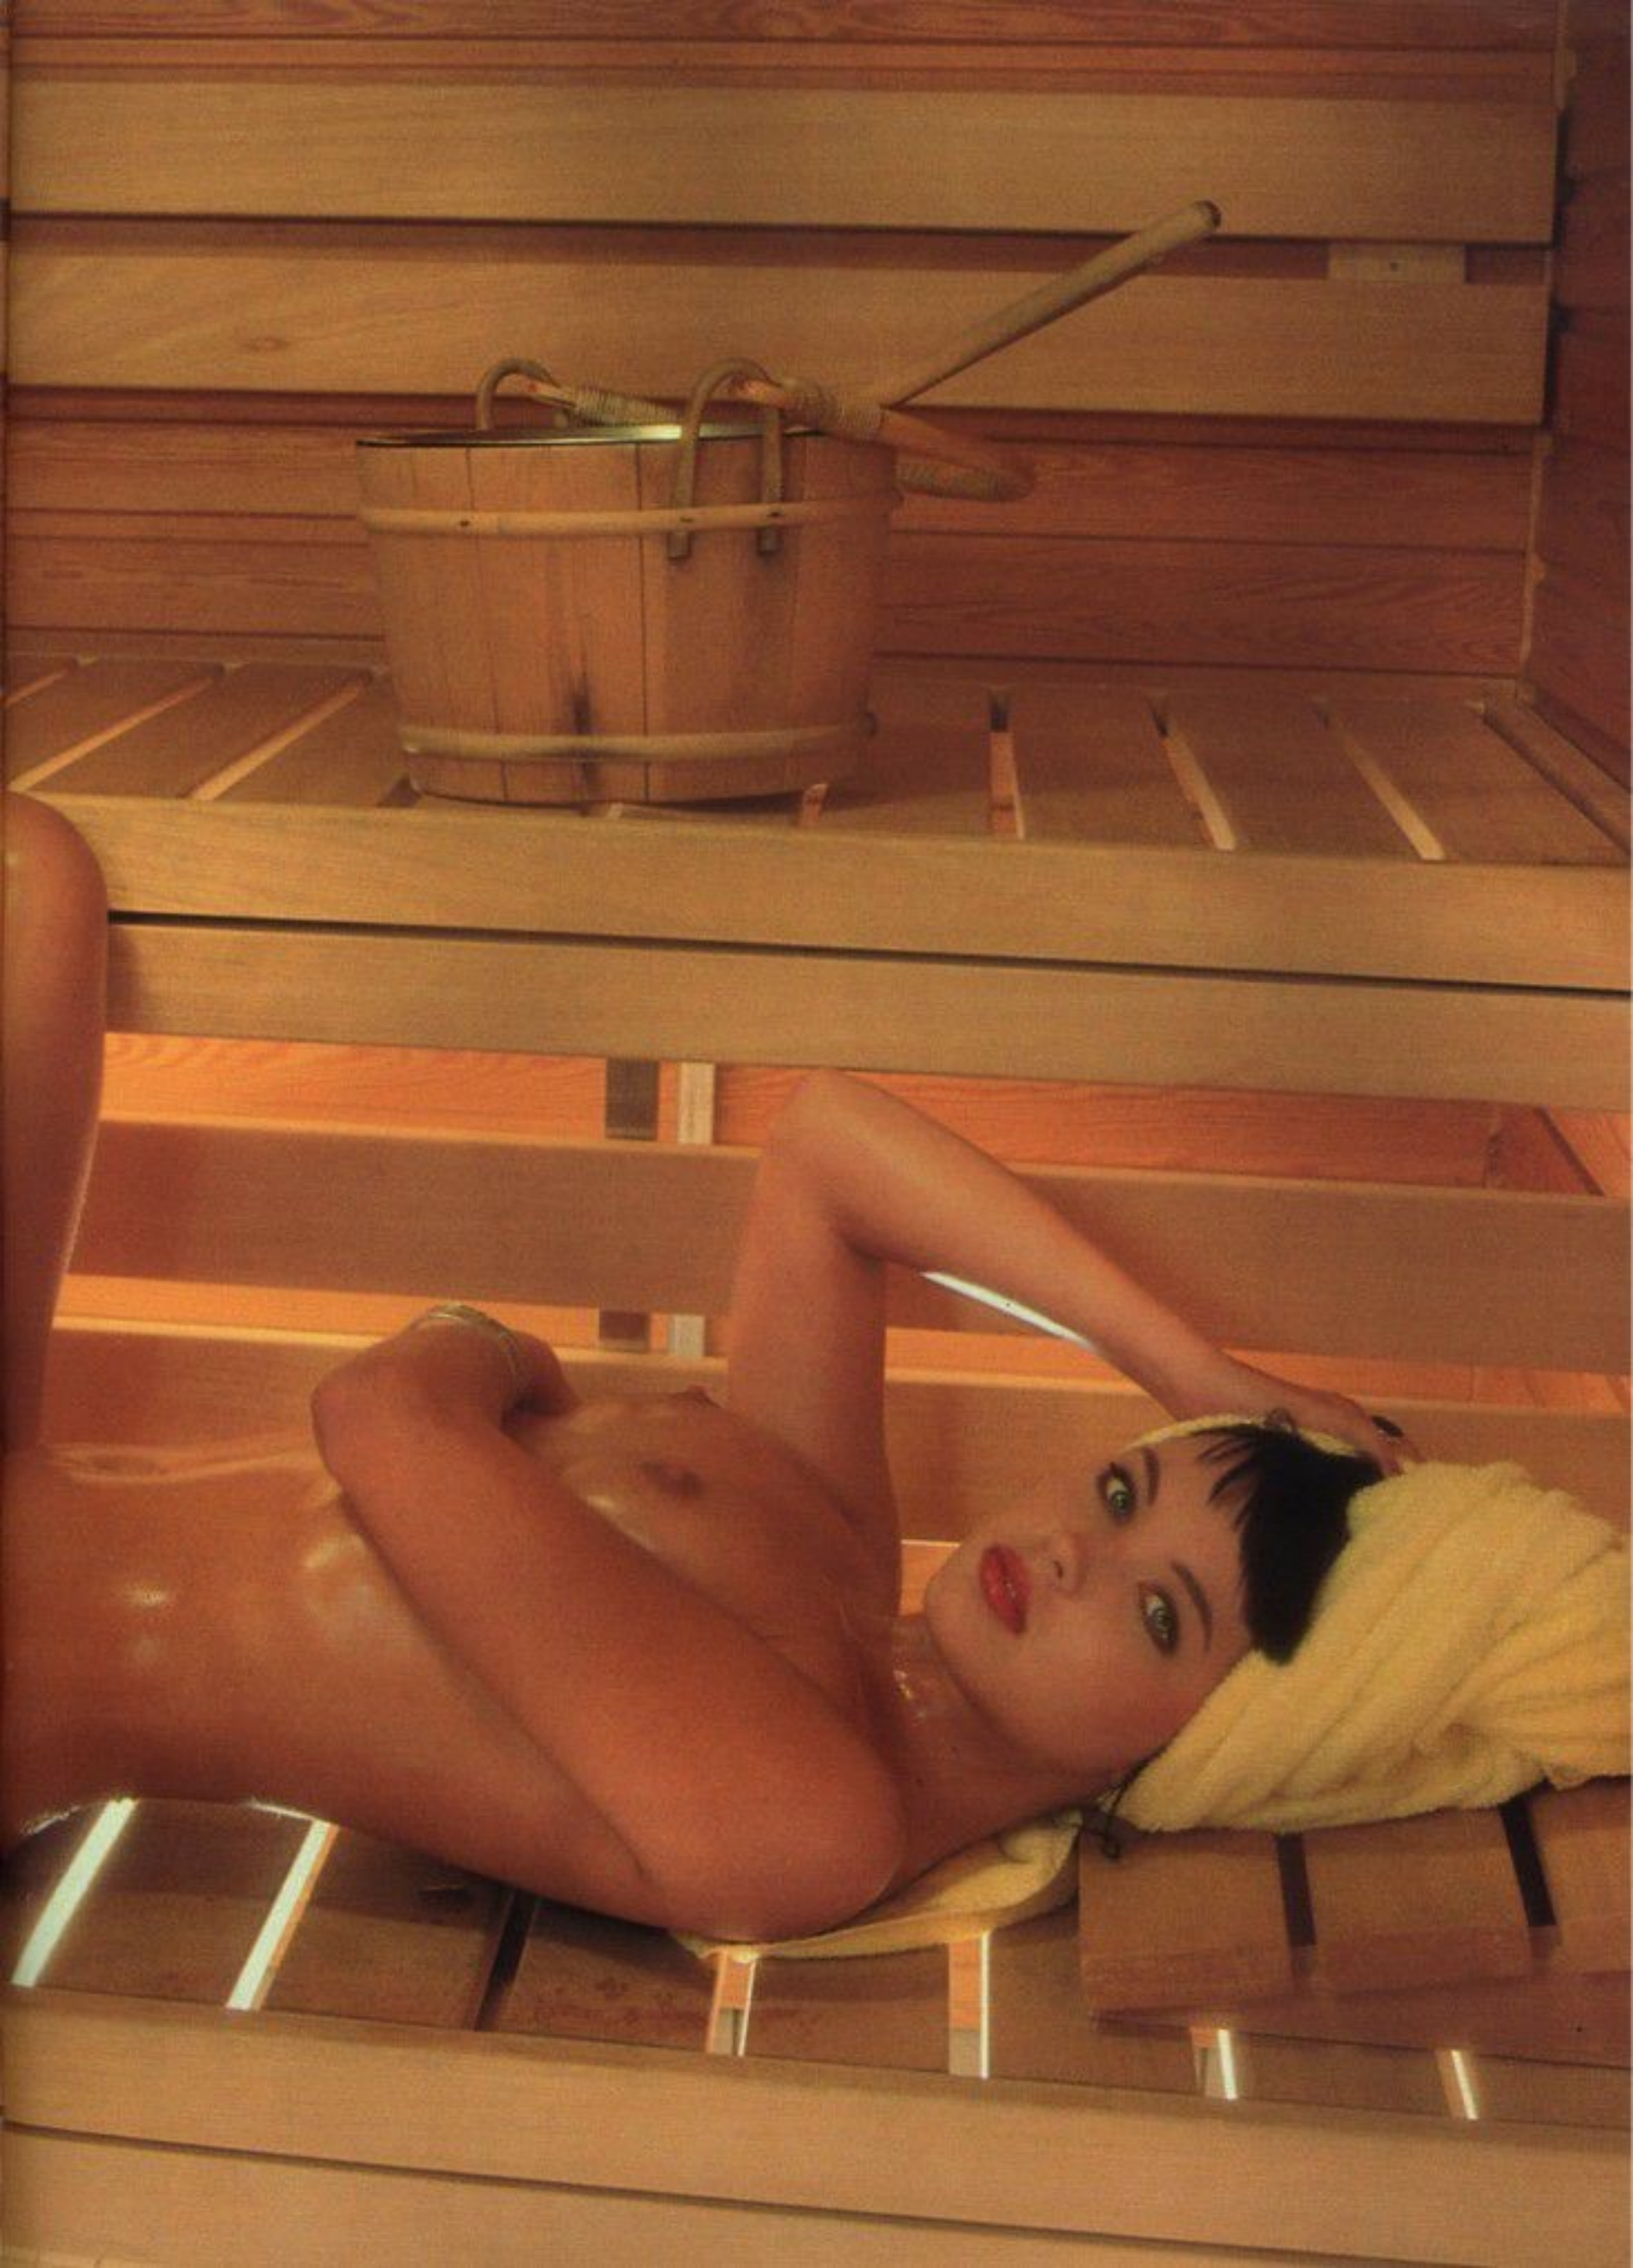
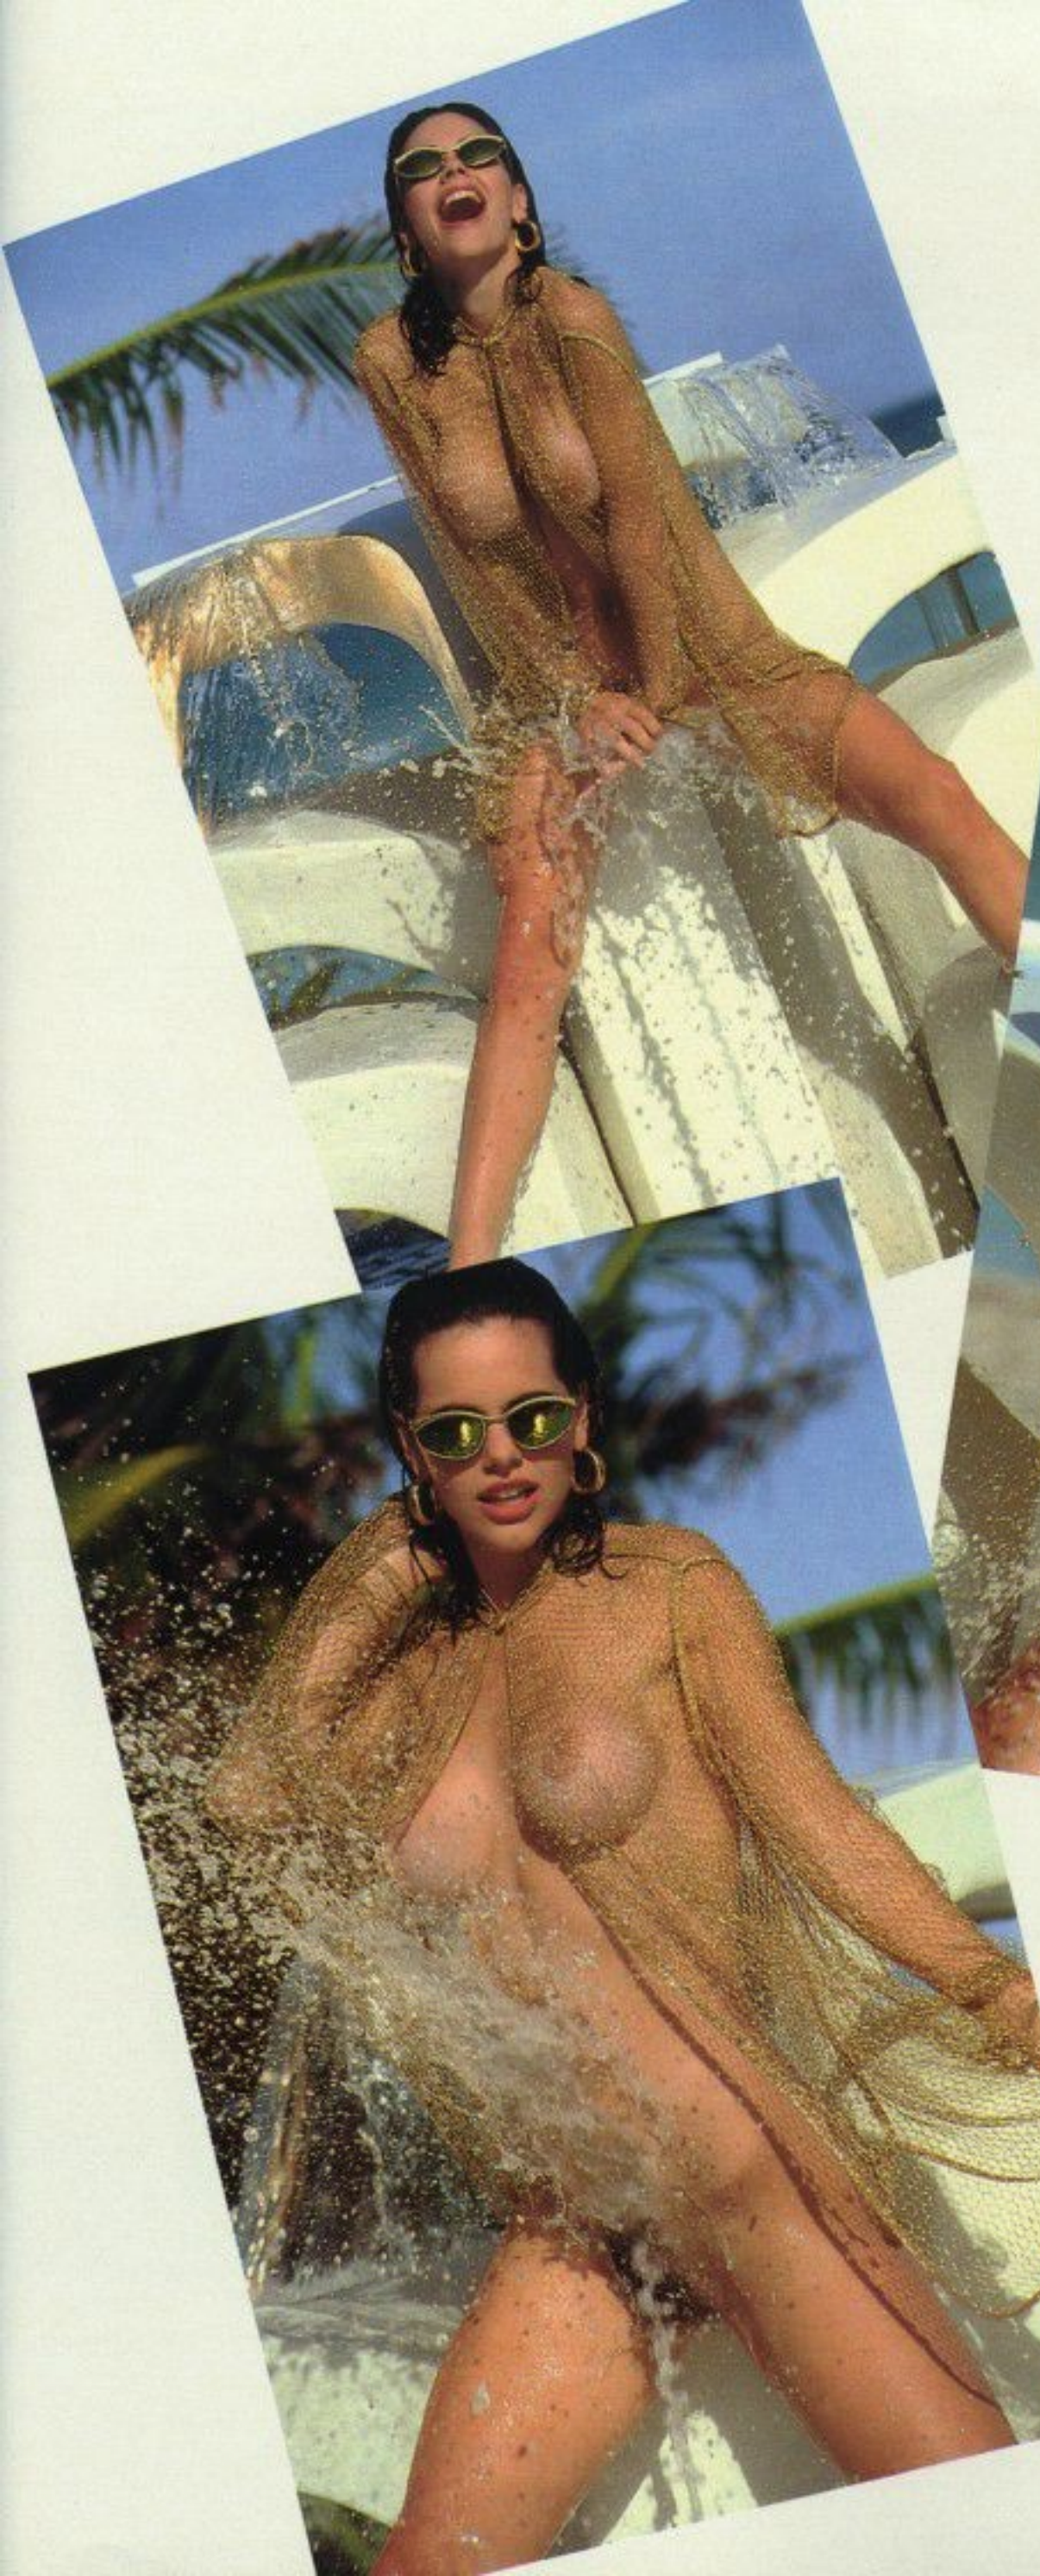
LOVE

Hoofing in Gene Kelly's footsteps, Lorraine Michaels taps her way down the garden path in an inventive twist on singing and dancing in the rain.

NESS HOURS
Drink







Finally, Alesha Oreskovich is a miracle in motion or at rest. If you've done all your homework, you've committed each of *Playboy's Wet & Wild Playmates* to memory. Just as water recycles, circulating over and over, these images should remain in your mind's eye for a long time.
